

# Parenting Tip.....

## Positive Discipline for Preschoolers

**Get children involved:**

in the creation of routines through the use of limited choices by providing opportunities to help.

**Teach respect by being respectful.**

**Use your sense of humor.**

**Get into your child's world.**

**Say what you mean and then follow through with kindness and firmness.**

**Be patient.**

**Act, don't talk — and supervise carefully.**

**Accept and appreciate your child's uniqueness.**
