

# Parenting With Love and Logic®

Presented by Katy Vinson,  
CAPS Parent Educator

**FREE 6-Week Parenting Workshop on Monday Evenings**

**January 28 - March 4 2019 6pm-8pm**

**Free Childcare available during classes for children ages 12 and under.**

*This class is based on the parenting program by Jim Fay. Raise children who are self-confident, motivated, and ready for the real world with this win-win approach to parenting. Your children will win because they'll learn to solve their own problems while gaining the confidence they need to meet life's challenges. And you'll win because you'll establish healthy control—without resorting to anger, threats, nagging or exhausting power struggles. Parenting with Love and Logic® puts the fun back into parenting!*
