Monday, 10/29/18
Salina Central
High School Auditorium
6:30-8:30 pm

RESILIENCE is a one hour documentary that chronicles the promising beginning of a national movement to prevent childhood trauma, treat Toxic Stress, and greatly improve the health of future generations. The screening will be followed with a panel discussion by local experts:

Cody Sparks, MS, Director of Crisis Services—Central Kansas Mental Health Center
Rachelle Kelley, LMSW, Clinical Supervisor of Crisis Stabilization Programs —Central Kansas Mental Health Center
Dr. Sarah Lancaster, Social Emotional Specialist—Salina Public Schools
Dr. Abbey Rupe, Pediatrician—Salina Family Healthcare

*This FREE event is sponsored by Partners in Early Childhood Education and funded by a grant from the Salina Area United Way. ***KDHE approval pending for inservice hours for child care providers. For more information, call CAPS at 785-825-4493 or email caps@capsosalina.org.*
